FROM : Chief of Base, Frankfurt

GENERAL: REDWOOD/AERDOT - Operational

SUBJECT:

SPECIFIC: Consultation with AERDOT 7

ACTION REQUESTED : See paragraph 2 below

1. Prior to AERDOT 7's departure for the United States last month, he was advised, during the termination briefing, that if he had any problems in the United States, particularly as concerned his relationship with HUBANK, it would be possible for him to consult with one of our representatives in the United States.

2. In a letter dated 16 May 1957 received at a local mail drop, AERDOT 7 advised that he has some "difficulties" and would like to be placed in contact with someone who could help him. It is therefore suggested that a member of the appropriate Headquarters staff contact AERDOT 7 and furnish him the advice he seems to need. AERDOT 7's name and address is transmitted under separate cover attachment A.

3. Attachment B (under separate cover) is a document which may be used by Headquarters to establish the bona fides of the Headquarters officer contacting AERDOT 7. AERDOT 7 understands that anyone displaying this document to him is a member of the organization which formerly employed him.
